COMMUNITY NEWS

As we celebrate the holiday season, please remember to remove all holiday decorations from your yard prior to your scheduled lawn care day. This will ensure that your front lawn can be properly serviced without delay.

We appreciate your cooperation in keeping our community beautiful and maintained. If you have any questions about your lawn care schedule, feel free to contact the housing office.

Thank you for your understanding and support! Happy Holidays! 🎄 ✨

MAINTENANCE TIPS

As cooler weather arrives, it's time to turn on your heater! Please be aware that the first time you use it, you may notice a slight burning smell. This is completely normal and typically caused by dust burning off the heating elements.

To help the smell dissipate quickly, consider opening doors or windows for a short time. If the odor persists or you experience any issues, please contact the maintenance team for assistance.

Stay warm and cozy this season! ❄️🔥

GOOD NEWS STORY

At our last Town Hall held, a resident asked if the already existing tennis court could be double up as a pickle ball court. Glad to report that it was accomplished. Tennis Court has been lined out to be use as a pickle ball court. Thank you, residents, for your input.
